

## H.O.W time – first, the ideas

Our church's Healing Our World (H.O.W) projects have built an impressive record over the past six years. This congregation has supported 12 projects – 3 local and 9 international. These projects have educated, protected, fed, employed and nurtured needy children and adults.

But a H.O.W project always begins the same way - with an idea from you. Please think of a way we can join together to make a difference in some corner of the world. Then fill out this form and give it to Lisa Greenly, Kellina Dyer, June Fukushima or Don Vipond by February 5th, 2012.

Our thanks for keeping H.O.W healing.

**Background or other information (for example a website):**

**Here are the Social Responsibility Committee's criteria when it assesses proposed projects:**

- The project will apply UU principles to solve local, national, or international problems.
- The project will have one clearly defined goal and a termination date.
- The proposal must be put forward by a member or friend of our congregation.

**Your role:**

If your project is put before the congregation, we will need your help to make it happen. You will need to :

- Produce a poster on poster board we will provide, outlining your proposal. This poster will be displayed on voting Sundays and other times during the year.
- Provide an information sheet (one standard-sized page only) about your project, to be handed out to the congregation on voting days.
- Participate in the planning and implementation of H.O.W fundraising and awareness events.

**Other information:**

Based on the opinions expressed in the recent H.O.W survey, there will be a maximum of three projects presented to the congregation.
